

TWO TOP MOUNTAIN
**100K VERTICAL
CHALLENGE**

SKI & SNOWBOARD

WHITETAIL SKI RESORT • FEBRUARY 8, 2027

I'm raising funds for Two Top Mountain Adaptive Sports Foundation, and I'm asking for your support.

On February 8, 2027, my team and I will ski or snowboard 100,000 vertical feet in a single day at Whitetail Ski Resort in Mercersburg, PA, as part of the 15th Annual 100K Vertical Challenge. It's an endurance challenge, not a race, and every team has a fundraising goal to meet. Your gift helps us reach our goal.

Based in Mercersburg, Two Top has been providing adaptive outdoor recreation programs to individuals with disabilities for nearly 20 years. Sports include skiing and snowboarding in winter, with cycling, water skiing, whitewater rafting, and mountain biking in summer. Each year, Two Top serves more than 250 individuals, providing the specialized equipment, instruction, and support needed to participate.

Please make your gift through my personal fundraising page, which I've shared along with this letter. Any amount makes a difference.

Visit the event page if you are interested in joining a team. If you own or represent a business, you can also support the event as a sponsor, with recognition options starting at \$500. Details are at twotopadaptive.org/100k.

Thank you for supporting me and the athletes who will benefit from this event!
