Sponsorship Opportunities 2027

The 100K Vertical Challenge

The 100K Vertical Challenge is Two Top's signature winter fundraiser, bringing together skiers and snowboarders for an unforgettable day on the mountain and support of adaptive recreation.

Participants set ambitious vertical goals, rally friends and family behind their efforts, and spend the day skiing or snowboarding while raising critical funds for Two Top's programs.

For sponsors, the 100K is more than an event. It's an opportunity to put your organization alongside veterans, adaptive athletes, volunteers, and community members while helping ensure cost is never a barrier to experience the outdoors.

Thank you for Supporting Two Top

For nearly 20 years, Two Top Mountain Adaptive Sports Foundation has made outdoor recreation more accessible to veterans and individuals with disabilities throughout the mid-Atlantic region.

Based in Mercersburg, Pennsylvania, Two Top provides free adaptive skiing, snowboarding, cycling, water skiing, and whitewater rafting. Each year, more than 250 individuals participate with the specialized equipment, instruction, and support they need, at no cost to them.

Our programs create opportunities to build confidence, independence, connection, and community through outdoor recreation. We believe everyone deserves the opportunity to experience the outdoors.
